Papanui High School Canteen Report Term One 2010

We have been very busy. Student workers are on a three week cycle and have adjusted to their duties.

Friday specials, chicken chow mein, stir fry, fruit smoothies etc have sold up to ten each time and will hopefully increase as students become aware of what is available. Rice balls are always popular.

New menu has been prepared for next term.

Continuing with staff morning teas. Items sold range from 3 -10 daily. I will keep the most popular and try new varieties.

We require another deep freeze to cope with the quantity of food ordered each week,30 boxes, including Juicies and Slurpers plus other regular orders. As the weather becomes cooler the amount of food products ordered will increase.

Our income is down by \$3065 compared to this time last year. On a brighter note last week was up by \$340.

General business:

1. Dates for 2010 meetings. : 19 April, 24 May, 21 June, 26 July, 23 August, 20 September, 18 October, 22 November.

2. A decision was made to make up a hamper to raffle at the next Junior report evening on 29th April. If possible, could everybody bring a contribution to this hamper at the next meeting. (19th April).

For example: chocolates, tinned goods, napkins, bottles of sauce, wine etc etc.

3. School class photos: there was some concern about some classes missing out on the yearly photo shoot. As Bronwyn explained: the photographer is booked one year in advance, and the first term is so incredibly busy, so trying to make every class available for a photo is almost impossible. The photos are arranged over a two day period (Friday, and Monday) to try to cover every class, but unfortunately some will miss out.

Meeting closed : 8.15.pm

Next meeting to be held 7.30pm on Monday 19 April 2010
